**Re: *John Roscoe Stone III v. S. Tyler Patton*, No. 2019-001473
First Request for Extension of Time**

Ladies and Gentlemen:

I represent Appellant in the above-referenced appeal. I received the transcript in this appeal on September 12, 2019. Thus, Appellant's initial brief and designation of matter is currently due on October 14, 2019. Currently, I am working on several other briefs, including a reply brief in the Fourth Circuit, a reply brief in the Georgia Court of Appeals, and an opening brief in the U.S. Court of Appeals for the D.C. Circuit, in addition to various trial-court matters.

To enable me sufficient time to study the transcript for this appeal, I write to request a 30-day extension for Appellants' initial brief and designation of matter, to and including November 12, 2019. Counsel for Respondent, copied here, has advised that he consents to the requested extension. No prior extensions have issued.

Enclosed with this letter, please find a check for the \$50 motion fee.

Sincerely,

Howard W. Anderson III
