Appellate Case No. 2018-001493

THE STATE OF SOUTH CAROLINA,

RESPONDENT,

v.

JUSTIN BRADLEY CAMERON,

APPELLANT.

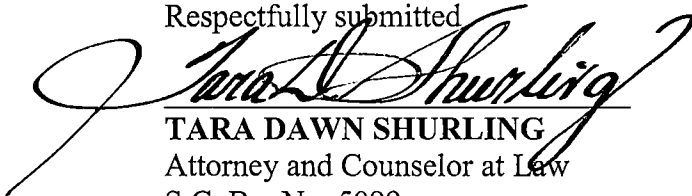

Petition for to File
Initial Brief of Appellant and Designation of Matter
Out of Time

The Initial Brief of Appellant in the above captioned direct appeal was due for service and filing on October 1, 2019. Due to ongoing health issues, undersigned Counsel was been unable to complete this brief by that date. Counsel subsequently asked for two additional days in which to file this Initial Brief and the Designation of the Matter. Counsel had every intention of getting this Brief to the Court for filing within that time period. Unfortunately, that time period coincided with the date Counsel was required to quit taking her pain medications in preparation for her hip surgery this coming Friday, October 11, 2019. Counsel has been able to complete this brief, however it was impossible for her to do so as soon as she might otherwise have hoped. Counsel has discussed her situation with opposing Counsel, William M. Blich, Jr., Senior Assistant Attorney General, and he has graciously indicated that he will have no objection to this Petition to file out of time. Counsel has submitted her Initial Brief and Designation of Matter along with this Petition.

Counsel apologizes to everyone for the delay in this case, but can in good faith say that she has made every effort to complete this task as early as she could given her current circumstances. She now asks that this Honorable Court accept this Initial Brief and Designation of the Matter for filing for good cause shown.

Respectfully submitted
