The State

vs.

Bertram Brown

No. 2018-001429

In the Court of Appeals

Motion for continuance

Appellate Case No. 2018-001429

I am writing this letter as a formal request to extend the deadline of my appeal.

On the grounds of poor Institutional circumstances, I submit this request to your authority. I ask for understanding, for my present environment is prone to cause inconsistency's in available time to use the facility law library. I hope this explanation is cause for an exception to be made. I appreciate your attention to this most important matter.
