SC Court Of Appeals

Clerk Of Court

I am petitioning an appeal of the court sentencing of the general sessions court on October 2, 2019.

Offence: False Information 5102P0556711

Resisting Arrest 5102P0556712

DUS 510P0556713

Open Container 5102P0556714

Attorney John Reckenbeil

The reasons I believe this case should be appealed.

1. I wanted to represent myself, I was told I had to obtain an attorney or public defender.
2. I was offered time served (one night in jail) because they knew it was a false arrest, but I did not want it on my record.
3. John Reckenbeil failed to do or ask any questions that would prove that it was a false arrest.
4. Improper exclusion or admission of evidence, lack of sufficient evidence to support a finding of guilty. They did not show the video that I recorded on my phone although they erased part of it and broke my screen. They said they did not have police body cam Of the first officer even though it was clear to see it was on from my video.
5. The video that they showed in court was when all the other officers were there and they did what they were trained to do put ideas in jurys head, which I read is illegal to be used in court.
6. The jurys instructions instructions were improper.

Thank you for your consideration.

Sincerely, Sue Tobey "on behalf of Robert Darrell Shores"
