Re: Clara Brockington v. SCDEW
Appellate Case No. 2018-001740

Dear Ms. Brockington:

Your material was received by the Court on October 16, 2019, and is presumed to be a response to the Court's letter of October 8, 2019 in regards to deficiencies in your motion to allow late filing of your amended brief. The deficiencies outlined in the Court's letter of October 8th must be corrected in their entirety before this appeal can proceed. The proof of service that you provided was for your motion to serve the record on appeal out of time from September not for the instant motion. Your motion to allow late filing of your amended brief still needs to be served and filed with a signature on it. This is the Court's second request for these corrections. Failure to comply with the Court's request within ten days will result in the dismissal of this appeal.

Very truly yours,

V. Claire Allen, Deputy

CLERK
