Re: Robert Antonio Steed v. State of South Carolina.  
Case No. 2017-CP-10-05944

Dear Mr. Shearouse:

On Friday, October 11, 2019, I finally had my hip replacement surgery. That same date, the Petition for Writ of Certiorari and Appendix in the above captioned PCR appeal were due. I had my surgery performed in Conway and left Columbia on Thursday, October 10<sup>th</sup>. Somehow, in the midst of preparation for my surgery, my second extension request in this appeal did not get filed. I am terribly sorry. I am currently recuperating from my surgery in Conway in order to be close to my surgeon in the unlikely event of complications. I have my post-operation examination on Monday, October 21, 2019 and hope to be back in Columbia the following day.

At this time I ask that I please be granted a second thirty (30) day extension of time in which to file the Certiorari Petition and Appendix in this case. I have discussed this matter with opposing counsel, Benjamin Limbaugh, and he has graciously said he will have no objection to my request for a second thirty (30) day extension in this appeal. I appreciate the Court's kind consideration of this request. I remain,

Sincerely,
