Dear Ms. Robertson,

I have received your e-mail dated October 18, 2019, wherein you request the Transcript of Record in the case of Acadian Steel, Inc. vs. Nan, Inc.. Upon review of my notes, I estimate the transcript will be approximately 20 pages long for an estimated cost of \$92.00, which includes postage and handling. An electronic copy can also be furnished with any official transcript order for an additional \$40.00, which would total \$132.00. I will waive the electronic copy fee and, of course, postage and handling if you would like only an electronic copy, making the total \$85.00.

If the transcript is smaller than estimated, I will certainly refund your money. Likewise, if it is larger than my estimation, I will either call or write you to let you know of the balance owed before providing you with the transcript.

It is necessary that I receive payment before producing the transcript in the form of a cashier's check, money order, or law firm check made payable to Bethanie Creppon. I cannot accept a personal check. Upon receipt of the funds, I will place your transcript in line for production. By statute, I am allowed 60 days to complete the transcript. If a longer period is needed, I will request an extension and you will be informed by Court Administration.

Thank you in advance for your payment, and I look forward to hearing from you.
