ON 4-4-19 I was convicted of a 903. In the 903 it states it is a violation of this section if an inmate actually or constructively traffics, uses, or possesses drugs. These drugs were not found on my person, in my living quarters, or anywhere near me. They were found in a Learning center a common area accessible by anyone in HAM. The incident report or evidence presented can't show or prove where I engaged in the specified behavior, attempted to engage in the specified behavior, conspired to engage in specified behavior, or aided others in engaging, attempting to engage, or conspiring to engage in the specified behavior. It only states the words from another inmate. The incident report or evidence can't show or prove where I actually, constructively trafficked, used or possessed these drugs. They were in a common area and could have easily been placed there by the inmates in HAM are by the inmate who informed the warden. (Newly discovered Evidence) I was informed that Hampton A has video footage that can be reviewed. Please review the video footage from the cameras in Hampton A this will prove I was never in this area. INMATE'S REASON FOR APPEAL (state specific dissatisfaction): The DHO findings and the Wardens upholding of those findings and hearing the record, testimony or evidence do not have any probative value or probative evidence to support a conviction of 903 Trafficking Use and/or Possession. I was asleep in bed when I was taken in custody for these drugs. A conviction of possession requires proof of possession, either Actual or Constructive. Drugs were not taken off me. Actual possession occurs when drugs are found to be in the Actual possession physical custody of the person charged. In order to prove constructive possession SCDC must show that I had Dominion and Control or the right to exercise dominion and Control over the place the drugs were found. I was not in control of a locked day room upstairs while ASLEEP in BED. Grievant Signature Larrell Purvis Date 5-24-19

RESPONSIBLE OFFICIAL'S DECISION AND REASON:

The documentation provided indicates that the evidence presented was sufficient to support the conviction of the (903) Trafficking, Use, and/or Possession of Narcotics, Marijuana, or Unauthorized Drugs, Including Prescription Drugs, Inhalants, Intoxicants and Synthetics in case #10 conducted on April 4, 2019 under SCDC Policy OP-22.14, Inmate Disciplinary System, dated February 2, 2015, and the sanctions imposed, which included the loss of -00- days accrued good time, were appropriate for the rules violation. There was no reason found to warrant a reversal of the Disciplinary Hearing Officer's decision. A review of your appeal revealed that you received forty-eight (48) hour notice prior to the hearing. You were afforded due process rights, as required, and the offense was classified and heard in a timely manner.

Therefore, your grievance is denied.

You may appeal this decision under the Administrative Procedures Act to the Administrative Law Court. In order to appeal, you must fill out the attached Notice of Appeal Form and submit it as instructed on the form within 30 days of receipt.

Responsible Official Signature Allen Stone Date 7/15/19

The decision rendered by the responsible official exhausts the appeal process of the Inmate Grievance Procedure. I hereby acknowledge receipt of the official's response and understand this is the Agency's final response to this matter.

Case#: 10 Inmate Name: Larrell Purvis SCDC#: 306499
 Living Area: RHU A 117 Job: Lock Up Custody: ST 2
 Offense Date: 3/11/2019 Offense Time: 09:45 AM PM Institution: Allendale Correctional Institution

Offense Description:

903 The Trafficking, Use, and/or Possession of Narcotics, Marijuana, or Unauthorized Drugs, Including Prescription Drugs, Inhalants, Intoxicants and Synthetics: It is a violation of this section for an inmate to: Actually or constructively traffic, use, or possess drugs or intoxicants of any type or description (except those prescribed by an authorized physician and within authorized amounts and expiration dates) such as but not limited to: barbiturates, narcotics, medicines, marijuana, poisons, inhalants and synthetic cannabinoids; as well as all drug paraphernalia, such as but not limited to: needles, syringes, pipes, rolling papers and straws. Officers may rely on their training and experience to identify any intoxicating substance or paraphernalia where no available scientific tests have been created and/or confirmed credible. Substances which cannot be identified by the officer through their training and experience will be considered contraband and subject to an 817 Possession of Contraband charge unless the inmate can prove by a preponderance of the evidence at the disciplinary hearing that the substance was either: (1) issued to the inmate officially; (2) purchased in the institutional canteen; (3) authorized by the Warden and/or Agency policy; or (4) issued to the inmate by SCDC. This rule violation encompasses the "hoarding" of authorized prescribed medication by any inmate(s), or inmates who having accepted their medication, then failed to ingest the medication at the time they are issued it at the pill call. Or; Under, or feign (pretend) to be under, the influence of any intoxicant, other than one prescribed by an authorized physician, which creates an altered state of physical or mental activity. The observation and documentation by institutional staff of inmates exhibiting behavior such as paranoia, panic attacks, giddiness, agitation, hallucinations, psychosis, unexplained hypertension (high blood pressure), tachycardia (increased heart rate), vomiting, seizures, foaming at the mouth, blurred vision, total memory loss, inability to feel pain, suicidal thoughts, uncontrollable aggression or any other symptoms which through the staff member's training and experience would lead them to reasonably believe the inmate is under the influence of a drug or intoxicant would be sufficient to justify this charge. A voluntary admission by an inmate that they are intoxicated, whether spontaneously uttered or as a result of questioning by institutional staff, can be considered in making this charge but is not, in itself, enough to justify the charge. Test positive for any unauthorized drug or intoxicant, refuse to submit to a drug test, or fail to produce a specimen within three (3) hours, as specified in SCDC Policy GA-03.03, "Inmate Drug Testing/Screening Program."

ORDER OF DISMISSAL

This matter is before the South Carolina Administrative Law Court (ALC) pursuant to the Notice of Appeal filed July 31, 2019, by Larrell Purvis. (Appellant), an inmate in the custody of the South Carolina Department of Corrections (SCDC).

Appellant seeks review of SCDC's decision in a prison disciplinary matter in which Appellant did not lose any good-time credits. Appellant makes no claim for the loss of any other state-created liberty interest nor any contention that his sentence, sentence-related credits, or custody status have been erroneously calculated. There is no state-created liberty interest in the loss of opportunity to earn additional good-time credits. *Howard v. S.C. Dep't of Corr.*, 399 S.C. 618, 733 S.E.2d 211 (2012); *see also* S.C. Code Ann. § 1-23-600 (D) (Supp. 2017) ("An administrative law judge shall not hear an appeal from an inmate in the custody of the Department of Corrections involving the loss of the opportunity to earn sentence-related credits..."). It is therefore,

ORDERED that this appeal is **DISMISSED**.

NOTICE OF APPEAL

DOCKET NO. ALJ-04- -
GRIEVANCE NO.: ACI-0105-19

Notice is hereby given that Larrell Purvis #306499 does hereby appeal the final decision of the South Carolina Department of Corrections dated July 15, 2019 and received on July 24, 2019, a copy of which is attached. A general statement of the grounds for appeal is (See S.C. Code Ann. § 1-23-380(A)(6)):

Substantial evidence is not found and does not support the Responsible Official's decision to uphold the Warden's and DHO conviction of guilty of Trafficking, use and or/ Possession of Narcotics in the Department of Corrections. Where such evidence used in this major disciplinary hearing did not establish such an offense. The conviction is unconstitutional and contrary to this State's law of Possession and Trafficking in illegal drugs. Furthermore, such a decision is controlled by an error of law. One must knowingly possess a controlled substance, whether it is actual or constructive.
