The State, Respondent,

V.

Shawn Douglas Custer, Appellant.

Appellate Case No. 2019-000292

RECEIVED

OCT 15 2019

SC Court of Appeals

My name is Shawn Custer and I am the appellant in the action entitled above. It is at this time that I must request an extension of an additional thirty days while I continue to search for legal counsel.

In addition to the great financial disparity and hardship this brings not only myself but my entire family, the additional time is also needed to allow myself time to find someone who I believe is best suited for the task at hand. I am diligently working on this and intend to have it completed as soon as possible. I am actively meeting with someone and in addition to the great hardship it has caused we also believed that this decision would not be best made until the arrival of the court transcripts for their review.

I can assure you that I am proceeding as quickly as possible in this regard and look forward to having it completed as soon as possible. Thank you for your attention in this matter.
