Case No. 2018-CP4200864

Jamaal Gittens

v.

State Of South Carolina

**MOTION TO REMAND**

GREETINGS HONORABLE JUSTICES:

The clerk of court has dismissed my case, the argument is that I didn't comply with their letter dated June 04, 2019 to serve proof of service in the format shown by form 7 Appendix C, my notice of appeal did not indicate the copy has been filed with the clerk of court, I resubmitted my proof of service using form 7 as requested,, paid for the transcripts, served both the record of appeal, transcripts on lower court, forward them to court of appeals, my case should not have been dismissed for rule 203,there should have been some leniency on errors being that I'm pro se; I'm petitioning that my case be remanded back for adjudication, proof of service has been forwarded to lower court as required
