

The Supreme Court of South Carolina

South Carolina Coastal Conservation League, Appellant,

v.

South Carolina Department of Health and Environmental
Control, KDP, II, LLC, and Kiawah Development
Partners, II, Respondents.

Appellate Case No. 2019-000074

Lower Court or Tribunal No. 15-ALJ-07-0369-CC

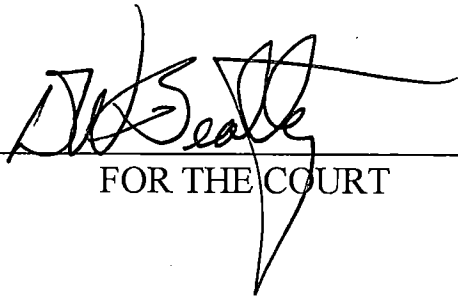

ORDER

Respondent KDP II, LLC, (KDP II) moves to amend the caption of this appeal. It asserts that Kiawah Development Partners, II, was not a party before the Administrative Law Court (ALC), and should not be listed as a respondent in this appeal. Further, it asserts that KRA Development, LP, who was a party in the proceedings before the ALC, should be listed in the caption as a respondent. Finally, because some of the orders submitted with the notice of appeal indicate that Kiawah Development Partners, II, was a party before the ALC, KDP II moves for leave from this Court to make a motion to correct these orders under SCALC Rule 67. Counsel for KDP II indicates that all counsel of record have been consulted, and there are no objections to the relief being sought.

The motion for leave to seek corrections under Rule 67 is granted. This case will be held in abeyance for thirty (30) days to give time for this relief to be sought from the ALC and for the ALC to make any necessary corrections. If corrections are made, a copy of the corrected orders shall immediately be provided to this Court.

The motion to amend the caption is held in abeyance pending the issuance of any

corrected orders by the ALC.
