Re: Case No. 2018-002139

Dear Court of Appeals

I am writing in regards to the letter I received from you dated August 2, 2019. You stated that my proof of service for the record on appeal is deficient. Because of the need to correct this deficiency without any true understanding as to exactly what this deficiency is I am compelled to write this letter with the hopes that this court will except the fact that the respondent knows and has been served all appropriate documents in regards to the above case. I the appellant sent them a copy of my Final Brief on March 14, 2019 and they responded by filing there Final Brief on June 26, 2019. So hopefully the filing of the respondents brief is proof enough to show that they no and have copy

10/11

of all document regarding this appeal.

Thank you
