Re: *Kevin Ralph Richard v. Facebook, Inc., and Maleko Kirk Malepei*
Appellate Case No. 2019-001054

Dear Ms. Kitchings:

I am writing to respectfully request an additional 30-day extension of the time to file Respondent's initial brief and designation of matter for the record on appeal. Respondent's counsel requests the additional time to allow adequate consultation with Respondent and trial counsel regarding the briefing prior to filing. Additionally, Respondent's counsel only recently received the transcript of the trial court hearing on October 29, 2019. Respondent's brief and designation are presently due on November 18, 2019. Respondent has previously requested one extension of this briefing deadline prior to this submission. The undersigned has communicated with counsel for the appellant, who has graciously consented to the extension.

Enclosed is a check for the motion fee.

With highest regards,

Wallace K. Lightsey
