It seems that what I intend to do with the audio recording does not lign up with my skills and software. I will attempt to include the recording of the 'hearing' part of the recording as an attachment to this email.

If outlook does not let me do it this time I will send the MP4 file of the 'hearing' part (@ 3 min 50 sec.) on a flash drive with the letter containing the AFFIDAVITs and the written 'transcript' of the 'hearing' recording. I cannot seem to duplicate what I did to take the recording from the small recorder and put it in my computer before, that is why I cannot send the entire recording, no way to get it from my recorder to the flash drive. Sorry.

It seems to have loaded as an attachment this time. You must play this on video (mp4) software, it will contain ONLY an audio track, so there will be no pictutres.

Per our phone conversation I went to the Clerk of Court and the masterinequity in Horry County and neither had any record of a transcript of the special referee meeting on the 21st of Aug, 2019. I have prepared an AFFIDAVIT to this effect, and will get it notorized and mail it to you on Monday the 28th.

I will also send along an AFFIDAVIT that my neighbor, Caros Pupo, executed about the meeting. He was there with my wife and I. I had ask him to be there as a potential witness. He will get his document notorized on the 28th too.

I have also taken the liberty to make a 'transcript' of a recording I made of the meething. Unfortunately it is of poor quality, and I do not have the soft ware to send it as an audio file, but I can send it as an MP4 file and it can be heard by playing it as a video. The file is too long to send as an attachment in MS Outlook. I will copy the file to a thumb drive and include it in the letter with the paper documents. There will be two files on the thumb drive, one the entire recording, form about 20 minutes before the meeting until we got in the car to leave. The second file will be the 3+ minutes of the so called hearing.

Please call me if you need me to do anything to make any of these things 'acceptable' to the Court.

Subject: SC Court of Appeals: Amended Notice of Appeal

Good Afternoon Mr. Richardson,

I received your amended notice of appeal corrections. There are still a couple of very minor errors. You still referenced the incorrect case number and the "Amended Notice of Appeal" caption is to take the place of the "Notice of Appeal" in the center of the page. You incorrectly placed the "Amended Notice of Appeal" caption at the top of the page.

Please mail in your corrections as soon as possible.

If you have any further questions please feel free to give our office a call.

Sincerely,

LaToyla Burns
