Bob and Debbie:

Look at missing transcript issues. Will file a formal response on Tuesday.

We did not order the initial appointment hearing on November 6, 2006.

We have no record of a funding request hearing on December 2006 – must have been ex parte

We have transcripts from October 11, 2007 (not noted in your motion).

There was no hearing on March 14, 2007 – it was postponed/

We have the transcript of the June 15, 2007 hearing (noted in your motion).

According to our records there was no hearing on December 4, 2007 (our records of initial scheduled time) and we are not aware of any hearing on December 12, 2007 as you assert.

The actual hearing that removed Johnson was on January 16, 2008 in Darlington according to our notes and the court order. We do not have the transcript of that hearing. Do you have that transcript. The 5 years is running on that one.
