

The South Carolina Court of Appeals

Shahid Latif Majid, Appellant,

v.

Associate Warden Clayton and the South Carolina
Department of Corrections, Respondents.

Appellate Case No. 2019-000296

ORDER

Appellant has filed a motion, which the Court construes as a petition for rehearing. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
