In RE of the matter of:

The State V. Shawn D. Custer  
Appellate Case No. 2019-000292

Approaching is the deadline in which my attorney of record is due to enter a notice of appeal. I have been diligently working on this matter and am in the final stages of having adequate council in regards to this matter. Unfortunately time has begun to quickly slip away due to a very heavy work load from being a business owner. In addition, my wife has recently had numerous health complications and physical limitations along with restrictions that have been placed upon her and is now scheduled to have a unplanned yet urgent operation tomorrow, November 15th, 2019 at Prisma Health Tuomey here in Sumter, South Carolina. I am requesting a thirty day extension, until December 14th, 2019, in which to have council file a notice of representation. The court has granted one previous extension.

I have also sent this request written in motion form physically to the clerks physical office at the court of appeals, Alan McCrory Wilson, Esquire, Edgar R. Donald, Jr., Esquire, Robert Michael Dudek, Esquire and William M. Blich Jr., Esquire at the Attorney Generals office.

Thank you for your time in this matter.
