SC Court of Appeals

Re: Paula Rose v. Charles Homer Rose, III  
Appellate Case No. 2019-001762

Dear Ms. Kitchings,

The Court requested a memorandum on the issue of appealability. I show the time for filing the memo as Monday, November 18, 2019. I have not finished the memo yet and have surgery scheduled for Monday. As a result of my surgery I'm pretty sure I won't be able to work on or complete the memo by Monday. If I am able to work next week I have an appearance in the Supreme Court and a CLE so getting it completed next week will be unlikely. I am therefore in need of an extension of time.

I am hereby requesting an extension of fifteen days in which to serve and file the Appellant's memorandum on appealability. I have enclosed a check for the filing fee related to this request.

Respectfully,

  
J. Falkner Wilkes
