v.

Appellate Case No. 2019-001866

ORDER

The appellant attempted to file a notice of appeal by faxing a copy of it to the Clerk's office. The notice of appeal does not contain a mailing address for the appellant. We called the appellant utilizing the phone number included on her faxed notice of appeal to notify her of the deficiencies in her filing, but no one answered our calls. Accordingly, the appeal is dismissed. *See* Rule 203(e)(2), SCACR (requiring appeals from administrative tribunals to contain the names, mailing addresses, and telephone numbers for all parties); Rule 267(a), SCACR (requiring all documents filed in the appellate court be headed by a caption, including the name, address, and phone number of the person submitting the document). The remittitur will be sent as provided by Rule 221(b) of the South Carolina Appellate Court Rules.
