RE: Laterrica Hill a.k.a. Laterrica Hill v. State of South Carolina  
Case No. 2019-001824

Dear Mr. Shearouse:

The Notice of Appeal in the above reference matter was filed with Court on October 31, 2019. I would respectfully request a thirty (30) day extension of time in which to order the transcript as we have encountered some delay in having the Affidavit of Indigency executed. No other requests have been made in this case. This request is not made for the purposes of delay but due to circumstances beyond our control.

Thank you for your understanding in this matter. Should you have any questions or need any additional information, please do not hesitate to contact me.

Yours truly,

  
Tommy A. Thomas
