RE: **Appellate Case No. 2019-001428** (Griffin v Mosley, et al)

Due to unforeseen circumstances, stemming from serious immediate family health issues, surfacing within the past month, and the challenges simultaneously encountered as a pro se litigant in preparing the appeal material per the specifications of the Court, I'm kindly requesting that the Appellate Court grant a 30-day extension for submission of my initial Appellant Brief. Consequently, I've sought legal counsel in my endeavor, which also requires additional time for familiarization of my case. Your understanding in this matter is greatly appreciated.

Sincerely,

  
Rufus L. Griffin, pro se
