I Nehemiah Bryant responding to a letter sent by the South Carolina Court of Appeals Clerk regarding the ordering of a transcript in the Appellate Court Case No. 2019-001572. Upon receiving notice, I have tried to obtain a copy of the transcript by contacting the Berkeley County Master in Equity office along with Thomas A. Shook via. The Finkel Law Firm whom is listed as Attorney of record for respondent. I was notified by both parties that there exists no transcript because there was not a court reporter present at the hearing.
