RE: *Mikell M. Henderson v. Mikell R. Scarborough*  
Appellate Case No. 2017-001775

Dear Ms. Kitchings:

I write on behalf of Mikell M. Henderson, petitioner in the above matter. We received the Court's November 20, 2019 letter alerting counsel to the potential dates on which argument may be held, if the Court chooses to hear argument in this case. Of those dates, I have a strong preference for March 9 and 10, 2020, as the dates identified during the following week overlap with my son's school vacation, when we typically travel as a family. However, if the Court does schedule argument during that week we will of course appear and participate.

Thank you for your consideration.

Sincerely,

David M. Burkoff
