Petitioner

Affidavit or Declaration

I, SEQUOIA DONTREL MCKINNON, Petitioner, seek to file a pro se response in the above titled action, Appellate Case No. 2019-000398, regarding matters in this case, but I suffer inability to present the facts and legal issues to the Court because I am not one who is experienced in dealing with legal matters and I am untrained in the complex science of law, and it is not guaranteed by court that pro-se litigants are given leeway when they have not followed technical rules of procedure, and the issues in the case are very complex and my restraints by confinement create problems pursuing claims, particularly where the prison law library is restricted to a level which is unconstitutionally inadequate. Without any prior legal training and without adequate, effective, and meaningful access to courts, I suffer inability to present with accuracy, brevity, and clarity whatever is essential to ready and adequate understanding of the points requiring consideration.

PREMISES CONSIDERED, with circumstances out of my control and good cause shown, I request this court to provide 30 days enlargement of time to help accommodate such legal disabilities, and any other relief as this court deems fit and appropriate, in the interest of justice and to prevent a gross miscarriage of justice.

In support of my claims I declare under penalty of perjury the foregoing is true and correct.
