SC Court of Appeals

## NOTICE OF APPEAL

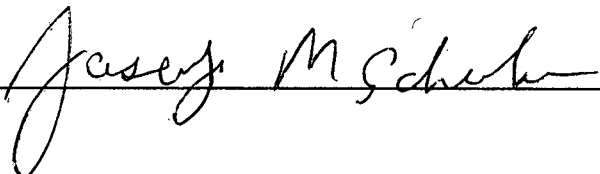

I appeal to this court to resolve an issue which arises out of 14-8-250 South Carolina code of law for rules of appeal

“In every decision rendered by the Court, every point distinctly stated in the case which is necessary to the decision of the appeal and fairly arising upon the record of the Court must be stated in **Writing** and must, with the reason for the Court's decision, be preserved in the record of the case; provided, that the Court need not address a point which is manifestly without merit.”

I raised **two** issues with merit in South Carolina contract law. Therefore the Court was duty-bound to respond in **Writing** the reasons for the Court's decision.

The Court responded with one word “affirm” the lower Court's decision **WITHOUT explanation**. **This clearly violates 14-8-250**
