Re: Sharon Thompson v. Sprint Food Store  
Appellate Case No. 2019-000872

Dear Counsel:

Upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The initial brief is not accompanied by a designation of matter to be included in the record on appeal. The material you submitted with your initial brief need to only be named in the designation of matter and must be submitted in the record on appeal, pursuant to Rules 209 and 210, SCACR.
- The document has not been signed as required by Rule 267(b), SCACR.
- The brief includes document excerpts, which are not permitted as part of the appellate brief. Rather, documents should be designated as set forth in Rule 209, SCACR, and included as part of the record on appeal.

Very truly yours,

*V. Claire Allen, Deputy*
