Appellate Case No. 2019-001886

Dear Clerk of Court of the Court of the South Carolina Court of Appeals

Joanne Ahearn and Robert J. Plum are Pro Se in the above mentioned case number. On November 12, 2019 Robert J. Plum personally appeared at Attorney Benjamin Culliffer Pickens Sapp's office located at 125 S. Jefferies Blvd. Walterboro, South Carolina 29488 to request a copy of the transcripts relating to the case number 2019-CP-15-00285. Robert J. Plum was denied any information as I was informed that I was required to have an attorney contact his office even though Joanne Ahearn and Robert J. Plum are Pro Se in this matter. On November 12, 2019 Robert J. Plum contacted Kenneth A. Campbell, Jr., Special Referee office via telephone and was denied access to the transcripts related to this matter for unknown reasons. We also mailed through the U.S. Postal Service on November 12, 2019 a copy of the Notice of Appeal, to the Circuit Court, Common Pleas, 101 Hampton St. Walterboro, South Carolina 29488, which were returned for reason the Circuit Court does not handle appeals.

Thank you,

Joanne Ahearn and Robert J. Plum

Joanne Ahearn
