RE: court reporter information for hearing on 26 August 2019, case 2018-CP-10-03315

Ms. Kohn.

There was a hearing held on 26 August 2019 in Charleston County for case 2018-CP-10-03315. The judge was supposed to be Judge Price, but instead Judge Murphy showed up. This case has been appealed. Given Judge Murphy knowingly and willfully signed at least two false and improper orders, and thus has subjected herself to legal jeopardy, as well as has refused to acknowledge or answer any of my correspondence in over a month, I am sending this request to you. Could you please:

1. Provide the name and contact information of the court reporter that was in court that day for the above cited case.
2. Ensure that court reporter is informed to properly preserve all recordings, steno notes, emails, etc related to that hearing.
3. Provide the name and contact information of the court reporter that was supposed to be in court that date with Judge Price.
4. Provide the date your office became aware that Judge Price would not be in that hearing that day and the reason he was not present.

Thank you for your assistance with this request.

Best regards,

Alan Nix
