SC Court of Appeals

MS, V. Claire Allen

I received your letter dated October 10, 2019. saying your records do not reflect a appeal pending in my name. I understand that I also explained that to the courts of appeals in my first letter dated

July 18, 2019. And your response was the cost would be \$2.05. What I asked for was copies of my appeal documents that was filed by Susan B Hackett. If you and the courts of appeals could assist me and please send copies of any and all paperwork that was filed I would greatly appreciate it.

Sincerely, Robert L. Nelson
