Re: George Adams, #181283 v. RCSD
Appellate Case No. 2019-001175

Dear Mr. Adams:

The Court is in receipt of your motion to extend time to file the record on appeal. The respondent's initial brief and designation of matter has not yet been received. Thirty days after service of the last initial brief, whether the respondent's initial brief or the appellant's initial reply brief, is when the record on appeal needs to be served and filed. The record on appeal must include all material that is listed in all parties' designations of matter. Therefore, your motion will not be acted on and is being returned to you.

Very truly yours,

V. Claire Allen, Deputy

CLERK
