VOID JUDGMENT

COMES NOW, Lyvonne Able in his Private Capacity as Executor for the **LYVONNE AND MARY LINDA SMALLS ABLE ESTATE** with A **VOID JUDGMENT**.

THERE IS ABSOULETELY NO GROUNDS FOR A VALID JUDGMENT DUE TO PROCEDURE FOR A FOREIGN ENTITIY BY A FOREIGN AGENT ON AMERICAN SOIL AGAINST A SOVEREIGN PRINCIPAL AS ENTITLED DEED-HOLDER.

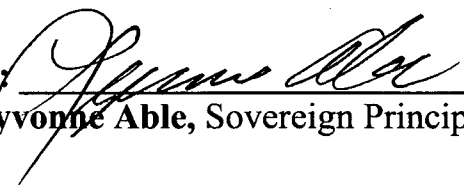

V. Claire Allen, as a Deputy have no authority to sign off on this judgment order. Without authority you are acting beyond your legislated duty acting with authority of a judge. If you are acting on behalf of a judge, I need to know who that person is and the reason why he cannot or will sign his judgment order. If he is a licensed attorney, he is guilty of treason as a foreign agent under the authority of the Crown without foreign registration to even be in his position. If he fits this description he is guilty of treason. All Judges in South Carolina are guilty of treason, and it has come to the interest of the Universal World Court to address this matter using this case as an example to begin the complete of the American Judicial and Legal system as it is in violation of the missing thirteenth amendment. As for you **V. Clair Allen**, if you are acting in your position if you are protecting a criminal position of a judge who is in violation of his/her oath of office; treason and sedition. I suggest you release yourself from this case, or you will be guilty and charged with protecting a criminal.

This court has jurisdiction over your complete inferior statutory Admiralty Maritime jurisdiction, because it is illegal to operate a monarch system in the Americas, and all foreign agents will be charged, and sentenced with crimes against humanity. All of your courts are Courts of Crown and they will be foreclosed. In addition, your unlawful monetary system is also at risk and will be replaced with a lawful transparent digital credit/currency system as an out-growth of the 2013 Master Sequester authored by **Dr. Hendo I. L. Henderson**; Chief Ad Hoc Judge of the Universal World Court; signatory for the National Budget; Trustee of the world fund that is owed to the People in exchange of the return of all resources of earth including the blood of the debtors.

THERE IS A FAILURE TO STATE A CLAIM FOR WHICH RELIEF FOR THE DEFENDANT MAY BE GRANTED BECAUSE THE SUPERIOR CLAIM IS WITH THE PLAINTIFF WHO HAS A BLOOD COVENANT WITH THE CREATOR AND ENTITLEMENT TO EARTH. See: *Genesis: 13:15, 16, 17; Genesis 15:18; Genesis 17:8; Genesis 24:7; Genesis 25:6; Genesis 26:4 Genesis 28:4-13; Genesis 25:12.*

NO CIVIL LAW CAN STAND UP AGAINST THE ENTITLED TITLE DEED-HOLDERS OF EARTH BY ANY ARTIFICIAL ENTITY THAT HAS NO BLOOD COVENANT WITH YHWH, and who is scheduled for destruction at the end of Gentile Rule which will come immediately after the fulfillment of the Gentiles, pursuant to: House Joint Resolution. 104: 102nd, Congress, 1st Session.

THAT TIME IS HERE, NOW AND TODAY
