Re: Robert Antiono Steed v. State of South Carolina.
Appellate Case No. 2019-000509

Dear Mr. Shearouse,

Enclosed are my original and six (6) copies of my Motion for Extension in the above captioned PCR Appeal. I have enclosed an extra of this Petition which I will appreciate having returned to me in the envelope provided for that purpose. I am so sorry to ask for yet another extension for this PCR appeal, but I have continued to be sick for weeks. The good news is that have done extremely well recovering from my hip replacement surgery eight weeks ago tomorrow. I think I was just very run down prior to my surgery and the virus I got right after it hit me particularly hard. A second round of antibiotics appears to be finally clearing up the secondary ear infections I got from the congestion related to the virus. I do not anticipate any problem with getting the Certiorari Petition and the Appendix filed within thirty (30) days of this request without the need for any further extensions. Opposing Counsel has graciously consented to this request. I thank you for your kind assistance in this matter and remain,

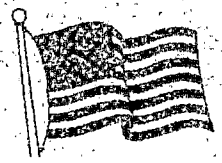

Sincerely yours,

A large, elegant handwritten signature in black ink, reading "Tara Dawn Shurling".
