Re: Nathaniel Johnson, Jr., #211574 v. SCDC
Appellate Case Nos. 2019-001627, 2019-001628

Dear Mr. Johnson:

The Court is in receipt of your letter dated December 10, 2019. The record on appeal will need to be served and filed with all materials that both parties list in their designations of matter. The respondent has not yet served and filed their initial brief and designation of matter. Once the respondent serves and files their brief, you have the option of filing a reply brief to the respondent's brief. This reply must be served and filed within ten days of service of the respondent's brief. Thirty days after service of either the reply brief or the respondent's brief (if you choose to not file the reply brief), the record on appeal will need to be served and filed. Your previous record on appeal was prematurely filed and did not include the respondent's material listed on the designation of matter as they have not yet served and filed it.

Very truly yours,

V. Claire Allen, Deputy

CLERK
