RE: follow up - court reporter information for hearing on 28 August 2019, case 2018-CP-10-03315

Ms. Kohn.

I sent you a letter on 30 November related to the above case and the need to obtain the name and address for the court reporter involved in the subject hearing on 26 August 2019. I hope our letters aren't passing each other in the mail, but am sending this follow up letter to make sure we close the loop on this issue prior to the Christmas holidays.

Beyond the need for the court reporter's name related to the appeal, I am also in the process of preparing a large filing naming more than five judges. This transcript is instrumental to that filing as well since it is a cornerstone of linking several related cases together. It is not disputable that Judge Murphy knowingly and willfully signed at least two false and improper orders. As requested previously, please:

1. Provide the name and contact information of the court reporter that was in court that day for the above cited case.
2. Ensure that court reporter is informed to properly preserve all recordings, steno notes, emails, etc related to that hearing.
3. Provide the name and contact information of the court reporter that was supposed to be in court that date with Judge Price.
4. Provide the date your office became aware that Judge Price would not be in that hearing that day and the reason he was not present.

Thank you for your assistance with this request. I have copied Mr. Wilson on this second request as further notice of my intent to include Judge Murphy as a key party in the broader legal matter. Given the appearance Mr. Wilson / Mr. Wilson's office played an instrumental role in the generation of the most egregious of the two orders, this may become a bit of a Catch 22.

Merry Christmas and Happy New Years as well.
