Re: Appeals Case 2012 212429
Woods v. Hinson
2010-CP-12-0595

Dear Mr. Brackett:

This is in reference to your letter of February 11, 2013 to the Court of Appeals regarding the Record in the above case. I sent the Record to you on February 04, 2013. Is it possible the Record has been misplaced by your staff as was the the Final Brief in Case # 2011-191876? Remember, you wrote to the Court of Appeals on February 04, 2013, and stated you finally found the brief after 60 days.

In any event, I am sending another copy of the Record to you via UPS, with signature required, if there is anything missing from either copy, please let me know.

Sincerely,

Mell Woods
