## SC Court of Appeals

My name is Mashawn Shell, and im 24 years old. I feel i should get an appeal because i am a young man who made a very bad mistake in life that cost me 18 years of my life. I was influenced by rap songs and peers from my environment that being a thug was the way to be cool. Now i know that being cool is havin a education, having a job and a family. Most of all cool is having your freedom. Im not a bad person, i was just confused on what cool was and this is most definitely not it. This time i have been in here has been a eye opener. Everybody makes mistakes i was just blind to the consequences. Im not the person that committed that armed robbery. Physically i am but mentally im not that person. I was just trying to be somebody im truly not. Now i understand who truly am and its not a inmate. I am a loving, caring person who deserves a rather chance to the world my true color
