RE: State Employees' Credit Union v. Betty Moticka and Robert Ward, et al.
Case No. 2010-CP-7211
Motion to Vacate Foreclosure and Sale of Property

Dear Court of Appeals Clerk of Court:

Thank you for alerting me to the fact that a \$25.00 filing fee is due. Prior to your call, the Horry County Master in Equity's office had called me to advise that the subject Motion sent you for this case should more appropriately be filed with the Court of Common Pleas. I brought this matter to Robert Ward's attention for him to determine which Court he needed to work with. He finally advised me to continue with filing this Motion with the Appeals Court.

I have prepared another original to accompany this filing fee to assist you in locating the paperwork. Feel free to contact me again in the event something else was overlooked and needs attention for this filing. My mobile number is 252-548-1234.

Thank you for your kind assistance in this matter.

Respectfully,

Betty Moticka, Appellant
