I had 3 different judges. 1st Judge Rule A Miss Trial. ON count of the only Hear Say witness said something wrong. Next trial another judge, the same witness had a tooth ache Judge said this should be throw out. Another trial, they asked the Jury 3 judge if anyone knew anyone or knew the prosecutors no one said anything until the next day I were friends with Lawyer Wilkins, wife who is over the prosecutors. Came forward. Judge also didn't want my lawyer to say anything about anyone being Addictive to any Drugs. The reason why the victim trying to harm me.

The victim was coming down from being on Drugs and try to Stapped me twice. Pathologist Report said the victim was very high. I was a afraid for my wife, Because she had stole a gun from me before This judge didn't want to hear any of this. I am 45 years old worked for AT&T for 48 years. A good Record. I never did any Drugs At All.
