My name is Kenneth T. Campbell, I am 75 years of age. I worked at AT&T for 43 years, retired. I am drug free never even been under the influence at all.

On Nov 5th 2019 I plead guilty at my trial to 10 years I was on house arrest prior to this for 6 years and out on bond they gave me credit for the 6 years leaving me with the remainder of the sentence to do. 4 years.

At my trial I had 3 different judges at the first trial it was a mistrial the witness was not creditable, she lied. At the second trial the same witness

didn't show because she had a tooth ache
The second judge said we should throw this
out. On the 3rd trial asked the people
of the jury if they knew anyone on the
prosecutors side they said no then the
next day they found out that 2 of them
had a conflict of interest they were
affiliated. So they came back with a
plea agreement that the judge didn't
want anyone to be accredited for being
an addict but clearly the girl was using
and attacked a 75 year old man coming
down off crack and needed a fix
She stole my gun before and tried to stab
me twice and I cared about her, trying to
help her many times. There wasn't a lot
to gain from this and a loss of life I
cared and was deeply remorseful and still
am my life is ruined I just want to
get this behind me and move on please
ASSIST in my post-conviction &
Kenneth ~~Cox~~ Thank you
