Re: Bristol West Co. v. Lemore Young
Appellate Case No: 2019-001644

SC Court of Appeals

To Whom it May Concern:

The transcript in the above matter was requested from the court reporter on October 3, 2019. After not receiving the transcript 60 days after this mailing, I attempted to contact the court reporter. She said that she had sent a letter requesting payment for the transcripts (a copy of this email exchange is enclosed). Due to issues with email transmission, I did not receive this email until December 10, 2019. I immediately sent payment for the transcripts. As of this date, I have neither received the transcripts nor have received or granted a request for extension from the court reporter.

Sincerely,

A handwritten signature in cursive script that reads "Brian T. Smith".
