Re: Richie D. Barnes v. James Reese
Appellate Case No. 2018-002157

Dear Mr. Reese:

Upon reviewing your amended appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and each deficiency must be corrected within ten (10) days of the date of this letter or this appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the caption must match exactly with the one given below:

Richie D. Barnes, Respondent,

v.

James Reese, Appellant.

- The designation of matter cannot be included as a section of your appellant's initial brief. You must serve and file a designation of matter that is separate from your appellant's initial brief pursuant to Rule 209, SCACR.

- The attachments filed along with your appellant's initial brief are not needed at this time. Therefore, we are returning these documents to you along with this letter.
- You must serve and file a motion to amend the appellant's initial brief if you wish for this Court to consider your amended appellant's initial brief that was filed on December 12, 2019.

Very truly yours,
