Re: Innovative Waste Mgmt. v. Crest Energy Partners, et al.
Case No. 2019-001719

Dear Ms. Kitchings,

I hope this letter finds you well and enjoying the holiday season.

Please allow this letter to confirm that I received the transcript of the June 5, 2019 hearing in this matter on December 6, 2019. Court Administration has assigned the April 6, 2015 hearing to a reporter who expects to complete that transcript before the Christmas holiday. I will advise when that transcript is received, and request that date be considered “receiving the transcript” for purposes of Rule 208(a), unless and until we discover that we will be able to obtain a transcript of the 2013 hearing.

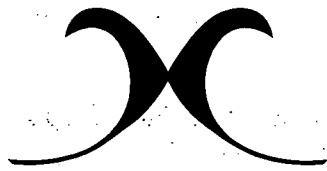

Thank you, as always, for your assistance with this matter. If you have any questions, comments, or concerns, please do not hesitate to contact me at any time. With best regards, I remain

Sincerely,

David B. Marvel

Re: Innovative Waste Mgmt. v. Crest Energy Partners, et al.
Case No. 2019-001719

Dear Ms. Kitchings,

I hope this letter finds you well and enjoying the holiday season.

I have just received Thomas Drazan's letter of December 16, 2019. He correctly notes that the Fedex package relating to my Motion to Reinstate suffered several delays in transit. While I am not sure that affects the date of service under Rule 262(b), Rule 260(a) requires only "notice to all parties". In any event, I have no objection to the timeliness of the Respondent's Reply.

Appellants do not intend to file a Return, standing on the merits of the Motion to Reinstate and further noting that there appears to be no prejudice as it appears all requested transcripts will be received within a typical time frame despite my error. If the Court wishes for me to file a return, I would be happy to do so.

Thank you, as always, for your assistance with this matter. If you have any questions, comments, or concerns, please do not hesitate to contact me at any time. With best regards, I remain

Sincerely,

David B. Marvel
