RE: transcript request: case number 2018-CP-10-003315, 28 August 2019 hearing,
Appellate Case No.: 2019-001878

Ms. Rueger

I am a party to the above cited case, and several orders spawning from the hearing that date have been appealed, including one filed under case 2019-CP-10-00067. Judge Price was scheduled to be the judge at the hearing that date but Judge Murphy showed up instead.

Can you please respond with the price for the transcript that day so I may order the transcript and meet the requirements of the Court of Appeals? Please include the additional discussion that occurred during the period while the clerk was looking through the clerk of court records to determine if I have received notice of a hearing apparently scheduled for case 2015-CP-10-02751 that day. Mr. Lesseman and Ms. Copeland were there related to that hearing. Ms. Copeland representing the Town of Mount Pleasant and Mr. Lesseman representing Park West Development, Inc. and/or Land Tech Charleston, LLC.

Also, please ensure additional information from that hearing such as audio recordings of the hearing, steno notes, email related to the hearing, etc. are maintained for at least a year. One of the orders in particular from that hearing is expected to become a central component of future litigation.

Thank you for your assistance and have a Merry Christmas and Happy New Year.

Best regards,

Alan Nix
