Appellate Case No. 2019-000553

SC Court of Appeals

Honorable Kitchings:

This Court has repeatedly refuse to acknowledge Appellant's filings and Motions as evident of the Clerk's refusal to return a clocked-in-stamped copy as requested by Appellant in each of his cover letters since the filing of his initial brief on May 9, 2019. Even though a deficiency may have occurred, the Court notified Appellant of same and Appellant has timely responded in kind each time without receiving a clock-stamped copy, leaving appellant without a record to reflect that his Initial Brief, Record on Appeal, or Reply Brief have even been considered for filing by this Court.

Enclosed are copies of Appellant's Motion to accept filing of Appellant's Final Brief Out-of-Time and Record on Appeal Out-of-Time. Both motions requesting permission to serve and file outside of the filing deadline and Certificate's of service. Appellant prays that this Court will acknowledge his filings by returning to him a stamped-in-clocked copy for his files.

Sincerely,

  
Gregory Mackey, #136609  
Pro Se Appellant
