

The South Carolina Court of Appeals

Jim Washington, Appellant,

v.

Trident Medical Center, LLC, Respondent.

Appellate Case No. 2019-000640

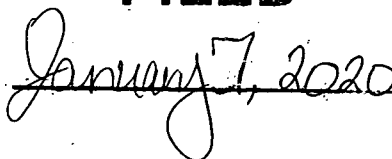

ORDER

Appellant has filed a motion to extend the time to file his record on appeal out of time and to use his supersedeas/stay filings as his record on appeal. Appellant's request to use his supersedeas filings as the record on appeal is denied. The record on appeal must include all matters designated by both parties as required by Rule 210(c), SCACR. The record on appeal must be served on Respondent and a proof of service must be filed with this court within ten days of the date of this order. Failure to comply may result in the dismissal of the appeal.

Appellant has also filed a motion requesting clarification and rehearing of this court's December 9, 2019 order. As to the request for clarification, this court clarifies that Appellant's request to remand for the circuit court to consider any of Appellant's outstanding motions is denied. This court will not entertain Appellant's remaining arguments. *See* Rule 240(i), SCACR ("The court will not entertain petitions for rehearing on a motion or petition unless the action of the court on the motion or petition has the effect of dismissing or finally deciding a party's appeal.").
