SC Court of Appeals

Good afternoon,

I have reviewed my records in this matter. It appears that this transcript will be approximately 50 pages long at a cost of \$4.25 per page. I would have 60 days to complete it. It has been added to my list for production. When completed, it will be sent to you along with an invoice for the amount due for your original.

Additional copies are available for \$1.00 per page. I noted your long list of copied individuals listed as "all counsel". They are welcome to order a copy and I will provide same to them. I have copied them on this response as well.

If you have any questions, please do not hesitate to contact me.

Thanks,

Krystal J. Smith

Ms. Smith,

I understand you were the court reporter for Judge Seals for the motions hearing held in connection with the above case on October 30, 2019 in Florence. We would like to order the entire transcript of that hearing. Can you please give us an estimate and method of payment?

Thank you so much for your assistance,  
Suzy Eschenbrenner
