**RE: Hills Machinery Company, LLC v. Jackson Development, LLC and
J. Elliott Summey
Trial Court Case No.: 2016-CP-40-00100
Our File No.: CIV-749-01
Appellate Case No.: 2019-000623**

To whom it may concern:

I previously requested an extension of time to file a Reply Brief. The deadline was 12/19/19 for the response. I drafted a reply Brief and placed it in an envelope to this Court and opposing counsel. However, as I discovered yesterday, I never placed it in the U.S. Mail. It fell behind a cabinet, along with other items.

Upon reflection, the Reply Brief is unnecessary and I will forego filing. But there is no definitive date for the Record on Appeal to be created and served at this point. Does the 30 day deadline run from December 19, 2019 or did it revert back to the date of filing for the Respondent's brief? If so, I need to file a motion to file the record out of time. If the 12/19/2019 date is the start of the 30 time period, I am safe.

I sincerely apologize for my error. I would appreciate some guidance as to how to proceed at this point.

By copy of this letter I am serving opposing counsel with a copy of the same.

Kind regards,

Tucker Player
