RE: Jesse Cook v. Edward Jenerette
Appellate Case #: 2019-001076
AB File No.: 34276

Dear Ms. Kitchings:

I am writing to request a thirty (30) day extension to file any reply brief under Rule 208 (a)(3) in light of the fact that I am currently #1 or a day certain trial beginning December 16th in Florence and, by my calculations, the brief would be due on December 16th. Of course, the Christmas and New Year's holidays factor into this, thus I would be appreciative if your office would allow through January 15, 2020. I am also enclosing a Motion for Extension of time as well.

I understand that the reply brief is optional, and after I get through the current scheduled Common Pleas trial, it may be that no reply brief will be filed, and if so, I will let the Court know, but I would certainly appreciate your accommodating me with an extension in the meantime.

Thank you very much for your consideration of this request, and Merry Christmas to you and your staff.

With kind regards, I am

Sincerely yours,

MATTHEW N TYLER

Request For Extension Of Time To File Pro-Se Answer

I, Eric Anthony wish to obtain an extension of 14 days or 30 days to file my Pro-Se answer on why my appeal has merit and should be upheld. My new address was not used to serve notice although I had updated around the middle of October 2019. As a result I have not had sufficient time to prepare said answer for the court.
