NOW INTO COURT, comes the Appellant Shayan Investments Gaffney, LLC, who respectfully moves this Honorable Court for an extension to file the Initial Brief and Designation of Matter for the Record on Appeal, for the following reasons, to wit:

Counsel previously informed the Court that her Father was accepted for Hospice services prior to the previous due date for the initial brief and designation of matter for the record on appeal. Counsel's Father died on December 13, 2019, and in addition to mourning his loss and making final arrangements for him, counsel has had court and other commitments since that date. Additionally, counsel had a previously-scheduled trip to Europe with her children for five (5) days following the New Year holiday. Counsel believed that she would be able to complete the brief and designation of matter timely pursuant to her first request for extension, however, counsel has determined that she needs an extension of two (2) weeks to complete the brief and designation of matter for the record on appeal. Counsel respectfully requests an extension until Friday, January 24, 2020.

WHEREFORE, the undersigned prays for an Order of this Court extending the time for counsel to file the initial brief and designation of matter to be included in the record on appeal.

Respectfully Submitted,
