Re: Jennie Cox v. Palmetto State Transportation
Appellate Case No. 2019-001936

Dear Counsel:

The Court is in receipt of your letter dated January 13, 2020 that shows you ordered and received the transcripts of the merit hearings prior to filing the notice of appeal. Since the transcripts were in your possession before you filed the notice of appeal, your appellant's initial brief and designation of matter were due on December 18, 2019. Within ten days of the date of this letter, you must serve and file the appellant's initial brief and designation of matter, along with a motion requesting permission to serve and file the documents outside of the filing deadlines set by Rules 208 and 209 of the SCACR. Your appellant's initial brief and designation of matter will not be considered and your appeal will be dismissed if no motion is made within ten days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy
CLERK
